## New Pumpkins!

Lil' Twilight  
Pumpkin

Yellow Mini  
Pumpkin

In an effort to continue to innovate the pumpkin lineup we offer, we are introducing 3 new pumpkins this year; **Ghost bumps**, **Lil' Twilight** and our **Yellow Mini Pumpkin**. Use these new to the market pumpkins to keep your pumpkin display fresh and eye catching!

## Warted Wonders

We have 2 "warted" varieties that seem to capture all of the attention. Our **Knucklehead Pumpkins** are similar in size to a medium-large pumpkin but their green and orange warts would never allow you to mistake the two. The **Warty Minion** are the little brother to these closer in size to a pie pumpkin but no less intriguing.
